

To apply for the Completion of Graduate Degree, students will need to login to their BroncoWeb account, click on the STUDENT heading, then the REGISTRAR heading, then the link to APPLY FOR GRADUATION.

When the student starts the process, the system will check to confirm that the candidacy form has been received by the Graduate College. If the student has not submitted their candidacy form they will receive an error message and will not be able to apply for graduation.

Students must apply no later than the deadline published in the academic calendar for the semester or summer session in which they intend to complete the degree requirements.
