

Welcome back to the start of another year and a special greeting to all members joining us for the first time. I am excited to serve as your Vice President and look forward to helping you become a part of the MPAA community. From monthly socials to community service the organization plans on holding assorted gatherings to cater to a variety of tastes. As a part-time student and full-time employee I know how difficult it can be to participate in any student organization; however I encourage everyone to make an effort to join us so you can get to know your colleagues and we can get to know you. See you all very soon!

Luis Caloca, Vice President
